Members' name:						

Notes

Bonsai sizes:	Large	Greater than 650 mm	Bonsai styles:	Formal Upright
	Intermediate	450 to 649 mm		Informal Upright
	Small	250 to 449 mm		Slanting style
	Shohin/Mame	Below 250 mm – single or multiple trees		Cascade
	Novice	Less than 3 years' bonsai experience		Semi-cascade
	Best Juniper	Judge determined.		Root-over-rock
	Best Native	Judge determined.		

Size of the tree is measured from the base of the trunk including exposed roots ('nebari') to the top of the apex. Generally, jin and flowers are excluded from the measurement.
